

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

FINGER MOTION, INC.,

Plaintiff,

-V-

CAPYBARA RESEARCH *et al.*,

Defendants.

23 Civ. 9212 (JPC)

ORDER

JOHN P. CRONAN, United States District Judge:

On November 6, 2023, Plaintiff served Defendant Capybara Research with copies of the Summons and Complaint. Dkt. 11. Defendant's deadline to respond to the Complaint was therefore November 27, 2023. *See* Fed. R. Civ. P. 12(a)(1)(A)(i). That deadline has passed, and the docket does not reflect a response to the Complaint from Defendant. Accordingly, the Court extends *sua sponte* Defendant's deadline to respond to the Complaint until December 13, 2023. If Defendant once again fails to respond to the Complaint by its deadline to do so, Plaintiff should seek a Certificate of Default by December 20, 2023.

SO ORDERED.
